VOLUME I NOVEMBER 7, 1949 EXTRA

BOND ISSUE PASSES

In an election held at Riverside School Monday morning, November 7, 1949 the bond issue passed by a 9[illegible]% majority with the vote 327 for, and 18 against. The Levies for operating expenses for running the schools were renewed by a vote of 285 for and 51 against. Mr. Lalmith conducted the election which was by secret ballot. He explained briefly the purpose of each issue.

****

7-5 News

The class officers of grade seven, section five are as follows: Shirley Holmes, President; William Whitehair, Vice President; Philip Thayler, Secretary; and Harold Williams, Treasurer.

The representatives for Student Council are Elsie Taylor and Thomas Ullom.

The class reporter is Nancy Samer.

THREE HONOR ROLLS

Honor students are chosen according to average of all grades in all classes—although an E in any subject will disqualify the student regardless of average.

In the future we will have three honor rolls instead of two: a Maxima Laude, an Honor roll and an Achievement roll. To attain Maxima Laude the student must have an A average, to attain the Honor Roll the average must be B. The Achievement Roll will be for those students who have shown improvement over the previous six weeks.

Only one student in the Riverside School attained the highest honors, Maxima Laude, with an A average.

ROLL BY CLASSES

Maxima Laude

Nancy Samer, Grade 7

A COMPLIMENT!

The contractors wish to compliment the students of Riverside High on their good behavior during the completion of the building.

SCHOOL SONG CONTEST

Write a school song! Let's have some songs that we can use at our school functions--team and pep songs, songs in honor of our school. Put original words to some college song or popular song-----or write both the words and the music.

Give your songs to Mr. Howes. The deadline is November 18th. If you are putting words to a song--Be sure to tell the name of the song for which you have written new lyrics.

MUSIC CLUB

At the first meeting of the music club the following officers were elected: President, Audrey Stumpf; Vice-President, Tom Piispanen; Secretary, Martha Mathews; Treasurer, Nancy Marie.

A constitution was also drawn up.

At the second meeting the members discussed what the aims and projects for this year would be. Each meeting was closed by volunteer singing.

HALLOWEEN PARTY

The first social gathering of the students of Riverside Junior High School was held October 27, when a student council sponsored Halloween party was given.

The party, which lasted from seven to eleven o'clock was never dull. In the lobby musical chairs was played, in the west end of the hall there was [illegible] in the east end a fortune teller, and in room 103 students ducked for apples and played other typical Halloween games.

Costumes were judged and prizes were awarded to John Marcosson, Nancy Jacobs, and Marlene Babic.

Refreshments were served by Mrs. Thrasher, Mrs. Neal, Mr. Proper, Mrs. Wyman, and Mrs. Redman. The cider was donated by the Johnsons. The cookies, cakes, and doughnuts were donated by the students who attended the party.

7-3 NEWS

When the class of 7-3 met in their homeroom 205 on Wednesday, the 21st of September, the following officers were chosen: President, Don Jacobs; Vice-President, Gayle Mordush; Secretary, Frances Lechner; and Treasurer, Agnes Shimek.

Student council representatives were also chosen. They are: Carol-Jo Murph and Philip McManus.

FEATURES

STUDENT COUNCIL SPONSORS CONTEST "NICKNAME OUR SCHOOL"

Prizes will be awarded to students who choose the best nickname for our school. For example:

Ohio State	Buckeyes
Fordham	Rams
Pittsourgh	Panthers

****

RULES FOR "NICKNAME" CONTEST

1. A limit of one entry per person.
2. In case of a tie the first person entering the winning name who gives the best reason explaining why the particular nickname was chosen. It should be a name well fitted for Riverside High School.
3. Each entry should have a reason explaining why the particular nickname was chosen.
4. Each entry should contain the contestants name and home-room number. Entries shall be submitted to the student council members in each home room.
5. The twelve best entries selected by the judges shall be voted on by the entire student body. The name receiving the most votes shall be the winning name.
6. Entries may be submitted for one school week, starting on Monday, November 7, and ending on November 11, at 3:25 P. M.
7. The judges shall be:
   Mr. LaHuth
   2 faculty members
   1 student representative from each grade
8. Prizes shall be — 1st prize-$2.00. Emblems having something to do with Riverside to the eleven runners-up.

RIVERSIDE WINS AGAIN

Riverside defeated Kirtland by the score of 104-0. It was a very good game. The first score came in the third quarter on a pass from Satterfield to Gibbon which covered 35 yards. The extra point was made by Pomfrey, and Riverside led 7-0. The other score came also in the third quarter on a pass from Satterfield to Haight. The extra point was also made by Pomfrey.

SPORTS FLASH

Riverside defeated Madison by a score of 20-7.

GIRL OF THE MONTH

The Girl of the Month is that sweet, blue-eyed, ninth grader, Pat Fritton.

Pat is president of the G. A. A. and is one of our up and coming cheerleaders. She was born in Cleveland and will be fifteen February third. She is five feet, four and one half inches tall.

Pat comes to Riverside from Mentor Avenue where last year she was president of the eighth grade class and a cheerleader, also.

Pat's favorite subject is English. Her favorite food is steak and French fries. She loves to drive and has traveled quite a bit through northern United States and through Canada.

Pat is well-liked, and friendly to everyone.

THIS AND THAT

If you want to be friendly with Mr. Thrasher, don't say "ain't".

Kenny Briggs, 9-2, found only one flaw in the plans for our gym——the boys gym is separated from the girls.

When elected to two offices, Larry Rippin cried, "I design, I design!"

NEWS

COMMUNITY CLUB FORMS

The parents of Riverside Junior High School voted to have a Community Club at their meeting Tuesday night.

After Mr. LaMuth, principal, opened the business session, officers were elected as follows: Mrs. Merle Gibbons was chosen president; Mrs. Leonard Hacker, vice-president; Mrs. Milton Briggs, secretary; and Mr. LaMuth, treasurer.

Approximately 65 persons attended the meeting, with each district well represented.

Meetings are to be held the first Tuesday of every month.

BOY JOINS COOKING CLASS

The cooking class of Riverside Junior High School now has a masculine touch. Tom Loughridge, a 9-1 boy, has survived two days in an all-girl cooking class. He decided on a Tuesday morning to drop shop in favor of cooking. He said he enjoys it very much and plans to continue with it.

MRS HAZEN'S ASSISTANTS

Mrs. Hazen, the secretary here at school, has four helpers. They are: Gwen Weigand, Dee Curtiss, Elizabeth Wylie, and Mary Ann Muzik. Their duties are to take notices around, answer the telephone, and ring bus bells.

CAN YOU IMAGINE?

Mr. Neal without his bow ties?
Woody Satterfield not saying, "Yes Sir"?
Dee Curtiss without her suntan?
Larry Foster not being able to tumble?
Pat Fritton without her sweet smile?
Larry Palmer without his whips and horses?
Margaret Barnhouse not hitting homers?

FAMOUS COW

A cow owned by our algebra teacher, Mr. Greig was recently the center of discussion on the "Farm Hour," a radio program.

Mr. Greig, along with his son, has been in the dairy business for three years.

The cow that was discussed was named, Valor, and produced the highest amount of butter fat in Lake and Geauga County, ninety pounds.

FIRE MARSHALS

Mrs. Saari and Mr. Buck were recently appointed fire marshals by Mr. LaMuth. Their duties were to decide which exits each room should use, how far everyone should go, which side of the stairs to use, and they decided which room should be in charge of clearing the lavatories.

RIVERSIDE HAS NEW TEACHER

Riverside has a new teacher, Mr. Ely. He was born in Painesville and has traveled through the east.

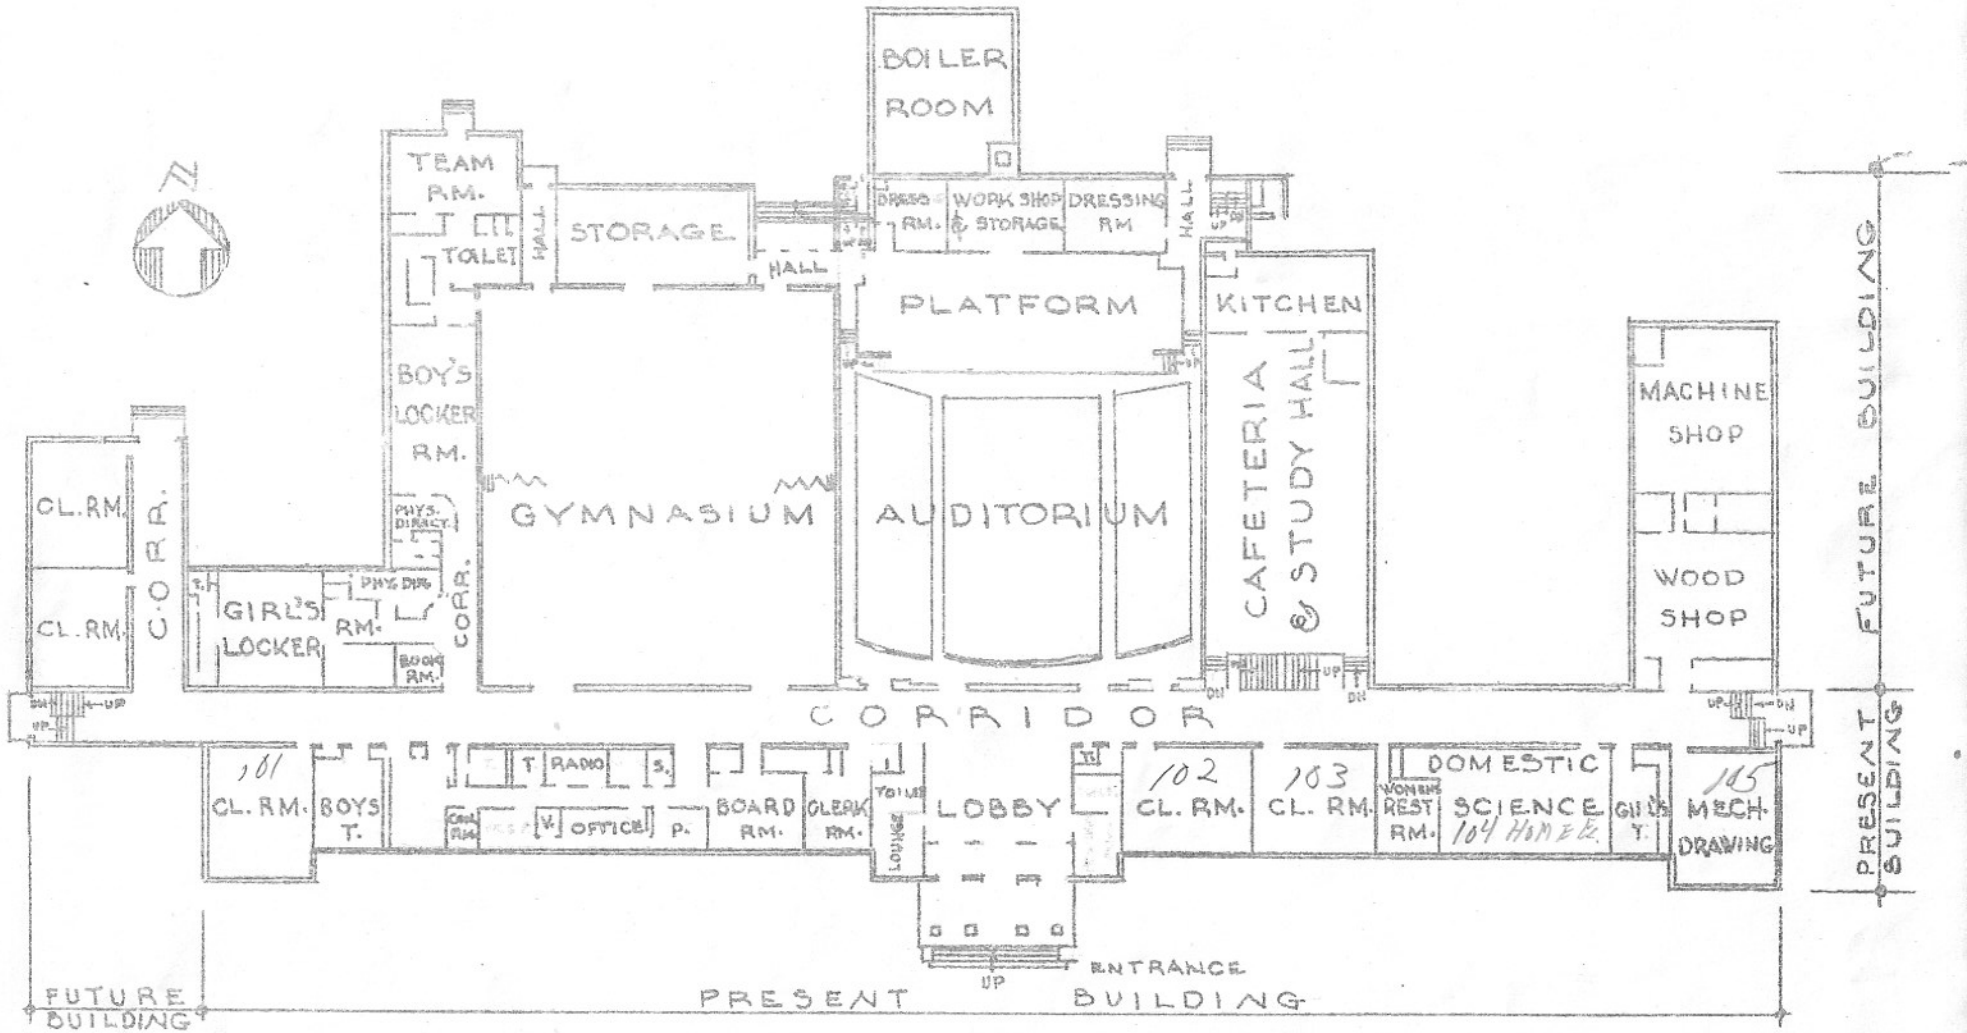

He graduated in June of 1949 from Allegheny College in Pennsylvania where he has lived the past four years. He teaches seventh and eighth grade math and science.

His hobby is chess, and he likes card games such as bridge and pinochle. His favorite sports are baseball, basketball, and football. Mr. Ely doesn't eat candy or ice-cream, but likes steak and French fries.

Mr. Ely likes people; and he thinks pupils should make the most of educational opportunities.

LOOKING FORWARD

THE PEOPLE MUST DECIDE

The program at the Riverside School is without facilities for physical education and play inside the building during inclement weather. There is no room large enough where all pupils may be brought together for assemblies and programs.

Practically all our students must carry their own lunches. That fact makes it apparent that a cafeteria and hot lunch program would be extremely desirable.

WHAT WILL BE INCLUDED IN THE BUILDING PROGRAM?

1. A commercial unit that will include courses such as typing, shorthand, bookkeeping, business machines, business practice, etc.

2. An industrial arts unit that will include machine shop, electric shop, foundry, forge, and woodworking.

3. The music unit will include sound proof rooms for vocal and instrumental instruction, practice rooms, lockers and cabinets for the storage of music, instruments and uniforms.

4. The gymnasium will be of a large size which can be separated into two gyms so that boys and girls gym classes can go on at the same time. This unit will include locker rooms and shower facilities that are non-existent at present.

5. An auditorium with a seating capacity of about 800 students is planned in the new addition. It will have a large stage with dressing rooms adjoining. Outside entrances will permit the use of this unit by community groups without interrupting the school program. Incidentally, this would appear to be the only large and modern auditorium in this community.

6. The cafeteria will have facilities to furnish hot lunches for all or any of the student body. This is a unit which is well adapted for community use.

7. The science wing provides laboratories for biology, chemistry, and physics with equipment storage space.

8. Additional classrooms for grades ten, eleven, and twelve will be provided.

It should be stressed that the new additions will provide units which are well adapted to community uses. The high school facilities that will be available to community uses include the cafeteria, auditorium, and gymnasium.
